# Wide variety of print sizes for enlargements and panorama prints

Maximum print size

Roll paper

**305 x 1,500 mm**

Maximum paper advance length  
**1,500 mm**

## Easy roll paper replacement

IJP12C supports all of the print sizes you need.

Roll paper widths of 102 mm to 305 mm are easily loaded in the printer.

## Easy ink cartridge replacement

6 colors dye ink

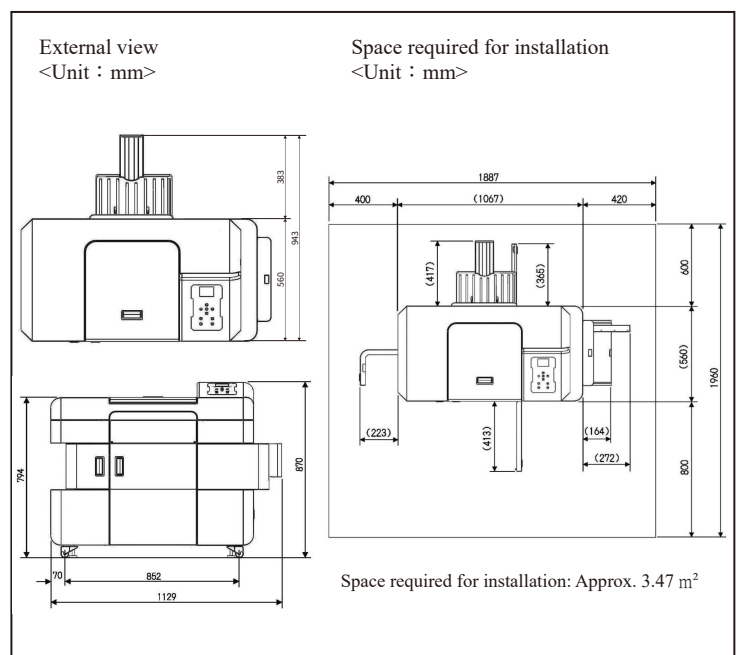

There are no photofinishing chemicals involved with dry systems. This brings a reduction in time and costs as you no longer have to be concerned about maintaining specific chemical temperatures and conditions as well as the handling and disposing of chemical solutions.
